

WGS Hair Policy.

A high standard of personal presentation and neatness is expected. Hair must be clean, tidy and of an acceptable length. (Boys' hair should be no longer than collar length and girls' hair should reveal no obvious hair accessories other than a dark coloured bobble or hair scrunch.)

- Hair should not be dyed or streaked such that it looks in any way unnatural.
- Hair must not be excessively layered, and the contrast between the shorter layer around the lower part, and the longer upper part must be kept to a minimum and blended progressively without a sudden change of hair length.
- Undercuts, tracts, lines, shapes or any other patterns cut into the hair are not permitted.

Boys' faces should be clean shaven except where specific written permission has been requested and granted on religious or medical grounds.
