**APPOINTMENT OF
TEACHER OF DRAMA
SEPTEMBER 2022**

Woodhouse Grove is situated on a beautiful 70-acre campus within easy reach of Leeds and Bradford. The school provides a first class all-round education for boys and girls, day pupils and boarders alike. Day pupils are drawn from a wide and well-populated catchment area both within and beyond the West Yorkshire (Leeds and Bradford) conurbation. The school runs seven bespoke bus services at the start and end of each school day and benefits from a recently opened railway station situated across the road from the school campus.

Since 1996 the school has grown from 750 to its current total of 1060 pupils (aged 3 to 18) and has a sixth form of more than 200 students. It has benefited from substantial capital investment in recent years that has significantly improved the school's teaching, sporting and performing arts facilities. The most recent full ISI Inspection (March 2017) graded Woodhouse Grove as 'Excellent' in all areas; the January 2020 ISI compliance visit found the school fully compliant in all respects .

The school has an enviable reputation for meeting the needs of a wide range of children including the top 5% of the ability cohort and those with specific learning needs. An acknowledged centre of sporting excellence, pupils from Woodhouse Grove regularly achieve places in county, regional and even national teams and recently the school's 1st XV won the Daily Mail Trophy and the 1st XI won the National T:20 Schools Cricket Championship. As well as sport, the

school has a thriving and well respected tradition of performing arts with several major productions and concerts throughout the year.

Woodhouse Grove is both academically ambitious and academically sensitive. The school routinely achieves outstanding results from a non-selective intake, meeting a range of learning needs in its well established Learning Support Unit and provides an excellent academic education that means its leavers regularly succeed in their applications to the most successful universities including Oxford and Cambridge as well as preparing students for more vocational options available at colleges of further education. At A level the school usually achieves a 100% pass rate with >80% A*-C and >60% A*-B. At GCSE the pass rate usually exceeds 90% with 40% at top grades.

Woodhouse Grove's junior school, Brontë House, was opened in 1934 and the pre-prep (Early Years) department, Ashdown Lodge, was opened in 1993. Academically our results at KS1 and KS2 are consistently well above national expectations and class sizes are kept small to give the children the individual attention that they need. The junior school offers a wide range of extra-curricular opportunities for all the pupils.

The Appointment

THE DRAMA DEPARTMENT

The Drama department consists of the Head of Academic Drama and one other specialist teacher; they currently share the teaching at GCSE and A-level, utilising the Eduqas syllabus for both. Drama is a popular subject in years 7 and 8, where it is compulsory, and in year 9 where it is an option subject, selected by around 50% of the students each year. Housed within the performing arts building, the department benefits from a classroom space, a well-equipped and spacious drama studio (ideal for the performance of examination pieces) and access to the fully-specified McCarthy Theatre, which seats 250 for larger-scale performances, as well as storage and a department office space. The department works closely with our School Productions co-ordinator, who also prepares students for Speech and Drama exams, and enjoys a share in the time of a full-time performing arts technician. With excellent facilities and lots of space, creativity can and does flourish; this year sees performances of *Legally Blonde*, *High School Musical (Junior)*, *Aladdin*, and *A Midsummer Night's Dream*, which is to be performed outside - weather allowing - on the lawn.

We seek an outstanding teacher and theatre practitioner to support the next stage in the school's development. Beyond the timetable there will be opportunities to be involved in school productions and other co-curricular activities in the arts. We would particularly welcome applications from teachers who can offer a second subject – especially English. The post would suit an established teacher seeking a new challenge in a well-resourced and supportive environment, or a new entrant to the teaching profession seeking a first role.

I am every teacher who has inspired me.
